

PROSPECTUS
2026 - 27

CHINIOT ISLAMIA PUBLIC SCHOOL & COLLEGE

MAIN UNIVERSITY ROAD, KARACHI.

VISION STATEMENT

“CIPS aims to be an institution of excellence in Pakistan, dedicated to produce leaders of the future.”

MISSION STATEMENT

“CIPS aims to be the best school in Pakistan by providing rigorous and relevant education of the highest quality without any discrimination of race, color, creed and gender; at an affordable cost. CIPS shall always adhere to universal Islamic values in order to produce students of the highest caliber, both academic and moral, by encouraging them to develop an understanding of concepts, think independently and make rational choices in the future, so that they graduate as gifted and caring Pakistanis. It shall constantly seek to improve itself and its students by investing in better faculty, state of the art infrastructure, latest technology and establishing close links with the community.”

STATEMENT OF BELIEFS

We the faculty, the support staff and the students:

- Recognize and support each person's right to acquire quality education.
- Are courteous and considerate. Strive to model our conduct according to the teachings of our faith.
- Try to be role models through our deeds so that others may follow.
- Refrain from labeling individuals and groups. Accept the fact that we are all unique individuals with similarities and dissimilarities.
- Shun violence, physical or verbal and discourage others to do so. Treat elders with respect and younger ones with kindness.
- Are responsible for our actions, advertent and inadvertent.

OUR FLAG

The flag has the crest on the top center of a white base. The white symbolizes purity and honesty and the green epitomizes peace, good will and prosperity.

OUR PHILOSOPHY

“Every child has innate capacity and natural ability to learn and achieve, given the right environment.”

PUPILS' PLEDGE

“Seek knowledge as ordained by our faith”

MESSAGE FROM THE CHAIRMAN

Mr. Abdul Rauf Farouk

Chairman School Executive committee

It is a unique honor to be associated with the Chiniot Islamia Public School and College as the Chairman of Executive Committee. This institution has been embarking upon the noble journey in service to humanity since 1986 by providing quality education at an affordable price.

I feel immensely proud in asserting that Chiniot Islamia School and College stands matchless in its way to lead today's youth towards "A Better Tomorrow".

Merit has been the hallmark of this institution which can be seen in the transparency of conducting entry test and giving chance to the ones who deserve considering on past academic records.

Meaningful changes have been instituted in the School in the shape of independent Montessori Section, revision of syllabus to bring it in line with the current needs, Pre Medical Classes for Boys, Upgradation of School Library, Online fee payment system and Online access to student's results etc. Inshallah this trend will continue in the future also and this institution will come up to expectations of Parents and Students alike.

I feel pleased to credit the management and all faculty members who stood steadfast against the odds and have been heading their ways to carry on with new educational challenges of online classes.

I felicitate Principal, Brig. Mirza Khawar Baig, SI (M) (Retd) who has been steering this institution in an excellent manner and making all possible endeavors in providing all kinds of facilities and aides to the teaching staff besides observing study practice of SOPs.

In the end, hats off to the teachers who have made themselves fully equipped according to the necessities of classes. Their indomitable urges have kept students intact with their studies. May Allah SWT strengthen all of us to guide the students to the pinnacle of success. Ameen.

I wish this institution a very good luck and Godspeed.

MESSAGE FROM THE PRINCIPAL

Brig. Mirza Khawar Baig SI (M) (Retd)

Principal, Chiniot Islamia Public School & College

“Education is not preparation of life; education is life itself.” (John Dewey). I strongly believe that education is a collaborative effort of committed teachers, professional management and motivated students. It is a process that begins with birth and continues throughout one’s life.

The School has taken a great leap in integrating information and communication technology into teaching and learning process. With the aim of dedicating ourselves to make intellectual, responsible, thoughtful citizens of Pakistan, our faculty attempted to come out of their comfort zones and adapt themselves to the new way of “Distant Education” and “E-Learning”.

The School Management has put in great efforts to facilitate its faculty with all the required resources for teaching and learning. I am pleased to tell you that our diligent teachers have worked incredibly hard to provide learning opportunities through latest applications. The efforts and cooperation of the parents are commendable as well.

At the same time we make utmost efforts to make classroom learning as beneficial for the students as possible. We are incorporating trending resources /techniques to do our part. Introduction of tablets in Primary & Lower Secondary Section & AI as a subject is a colossal step in this direction.

I extend my earnest gratitude to all the honorable members of Chiniot Anjumun Islamia and School executive committee for their visionary support at every moment. I would like to extend my heartfelt felicitation to each and every member of this prestigious institution for making it an exemplary place for learning.

Together we can achieve a lot. I pray that may Allah Almighty keep us all safe and blessed. Ameen!

Thanking you all,

Brig. Mirza Khawar Baig SI(M)(Retd).

EXECUTIVE COMMITTEE

The policy matters and planning is done by an Executive Committee whose worthy members are as follows:

☐ Mr. Abdul Rauf Farouk	Chairman, Executive Committee
☐ Mr. S. M. Naseem	Vice Chairman Executive Committee
☐ Mr. Habib-ur-Rehman	Member
☐ Mr. Faisal Gulzar	Member
☐ Mr. Shahid Shafiq	Member
☐ Mr. Saad Zia Shaikh	Member
☐ Brig Mirza Khawar Baig SI(M) (Retd)	Principal
☐ Mr. Syed Sarfaraz Ahmed	Vice principal
☐ Ms. Hanifa Zulfiqar	Headmistress Member
☐ Ms. Rida Batool	Headmistress Member
☐ Mr. Muhammad Bilal Ahmed Khan	Coordinator O' Level Member
☐ Mr. Syed Yasir Sadat Jalali	Headmaster Member
☐ Ms. Faiza Farooq	Headmistress Member

Chiniot Islamia Public School

AN OVERVIEW OF THE CHINIOT ISLAMIA PUBLIC SCHOOL

1. With a rich inherited tradition of service to the nation, Chiniot Anjuman Islamia, Karachi, was founded and registered in 1984 so as to pursue the mission of serving the nation, particularly in the fields of education and health. The main objective to develop this institution was to nurture the innate faculties of a child in order to make him an intelligent, well-groomed and creative adult with all requisite quality of head and heart tempered with our values.
2. The Anjuman, therefore, decided to establish an educational institution based on the principles of Islamic teachings blended with modern concepts in the field of education in order to meet the challenges of today's fast track world. For the realization of this aim the Anjuman acquired, from KDA, a two acre plot on the Main University Road to establish a purpose-built school to provide quality education from pre-primary to the secondary level at an affordable cost. This ambitious project was completed with resources made available by the philanthropist members of the Anjuman. An Executive Committee formed under the Chiniot Anjuman Islamia, frames policies and sets directions in addition to monitoring the progress of the institution through a constant liaison with the school administration.
3. The school is a purely service-oriented venture and is run on 'Not for Profit' basis. The focus of Chiniot Islamia Public School is to provide quality education at an affordable cost with a pledge to achieve excellence through education. The cherished goal of this institution is to create its own distinctive character by maintaining high standards in scholastics and to produce excellent result in the S.S.C/H.S.C Boards and O' level examinations. We lay special emphasis on character building so as to produce highly motivated and fully equipped future leaders who should also be the patriotic Pakistanis and devout Muslims.
4. True to its given mission Chiniot Islamia Public School has been achieving very impressive results in the Secondary School Certificate (Matric) held by Karachi Board of Secondary Education as can be seen in the result synopsis of the last few years placed at Annex "A". This indeed is the result of the dedication of teaching faculty, the hard work of the students, the supervision of the parents and indeed the standards set and guidance provided by the members of the Executive Committee of the school. Alhamdulillah, our Karachi Board and a Cambridge University. O'Level Exams portray an enormous success story which strengthens our determination to strive and achieve still higher levels of excellence.
5. The Executive committee of the school holds its quarterly meetings in order to review various projects and to monitor the progress in the academics and other allied affairs.

PREMISES

Chiniot Islamia Public School is located in Block No. 7 of Gulshan-e - Iqbal on a two-acre amenity plot on Main University Road, Karachi, opposite to the city's Safari Park. The block that houses the Montessori Section was completed first and teaching commenced in 1986. Immediately after, the Junior Section building was made ready and classes from first to fifth started in 1987. The Lower Secondary Section building was commissioned in 1988 and in the same year sixth, seventh and eighth classes teaching began. Now we have classes from MONTESSORI JUNIOR to XII and O' Levels.

PRE-PRIMARY SECTION

Besides many other renovations, our Pre-Primary Section has also been equipped with E-learning gadgets this year, now it works as a domain where stress is laid on the Activity – based learning and enhancing the performance of the Section. As technology continues to play a significant role in education, we believe it can be a valuable tool when used purposefully and in moderation.

CLASS ROOMS & SCIENCE LABORATORIES

The building now comprises three blocks, i.e. the MONTESSORI /GIRLS Section, JUNIOR Section, LOWER Secondary and COLLEGE Section. All sections originally had three floors each ground plus two. An additional floor was constructed in Junior Section in 2008. In the year 2011 a floor was added in Senior /Lower Secondary Section and still recently third floor is added in the girl's section which has completed in May, 2018. The class rooms are purpose-built- spatial and airy with adequate cross ventilation and are furnished with proper furniture, fixtures and fittings, thus creating an environment conducive to learning. The building has a separate Administration Block which contains offices, a multipurpose hall, a spacious Library and laboratories for Physics and Chemistry. Biology laboratory is on the ground floor of the Senior Secondary Section.

COMPUTER LABORATORIES

The school has extensive and well equipped wirelessly networked computer labs featuring with modern Intel core i3 computers huge files storage capacity, printing and internet facility. Wireless and DSL internet connections have been provided for better communication. These laboratories have been recently upgraded with latest equipment to meet the ever increasing needs in IT education.

RESOURCE ROOM AND DEMO ROOM

A "Resource Room "has been set up in order to enhance and enrich the teaching and learning experience environment for the faculty. It has well equipped wirelessly network modern 'Intel core i3, eight computer systems with printing, scanning and high speed internet facility. Wireless internet connection has been provided to all the eight computer stations for the best communication. It is specially designed for the teachers in order to improve their teaching skills, lesson planning, ability to accommodate varied learning styles and latest international teaching methods. "Demo Room" with 'Interactive' Smart Board, Multimedia and allied audio video facilities is set up in order to provide 'State of the Art' facilities for the demo lectures/ presentations.

LIBRARY

The school maintains a **spacious, air-conditioned library** with over **12,800 books**, covering general and subject-specific disciplines and organized according to the **Dewey Decimal System**. The library subscribes to various **newspapers and magazines**. A **separate junior library**, equipped with an **LCD**, supports storytelling and reading activities for young learners. A **well-equipped reference library** provides encyclopedias, dictionaries, maps, charts, ICT resources, and multimedia facilities. **Regular library periods** are scheduled in the timetable for students.

RECEPTION ROOM

We are pleased to inform you that a new reception room has been established in the school for the convenience of parents and visitors.

A gathering of faith, peace, and unity. Celebrating Eid Miltad un Nabi SAW

From classrooms to playgrounds, our students shine everywhere. Annual Sports Day

A vibrant display of creativity and expression. Art Exhibition

Celebrating creativity, curiosity, and confidence.

Colors that speak louder than words Art Exhibition

Behind every successful student is a dedicated teacher.

Little stars shining in every field

Smiles, curiosity, and creativity in action. A tribute to all mothers

TABLETS

The management of CIPS excited to announce a new initiative aimed at enhancing the learning experience for our students. From the last year, we have introduced tabs (tablets) into our classrooms as part of our commitment to integrating technology in education. The use of tablets will provide a wealth of interactive and digital resources that support a more personalized and engaging approach to learning. This will allow students to access learning materials, educational apps, and collaborate with peers in real-time, helping them to build essential 21st-century skills.

FACULTY

The institution has qualified, experienced and dedicated faculty to impart high standard of education. A well planned in-house and out sourced teachers training program ensures that the teachers remain current on teaching techniques and subject matter.

DATA BANK

Introducing a question bank in CIPS is a great way to make the exam paper creation process more efficient and automated. By creating a digital repository of questions, schools can streamline the process of generating exams, saving teachers time and ensuring consistency in assessments. This system could revolutionize how exams are prepared and taken, making assessments more dynamic and reducing administrative burdens for educators.

ARTIFICIAL INTELLIGENCE

Introducing AI as a new subject in CIPS could be a forward-thinking step toward preparing students for a future increasingly shaped by technology. Teaching AI in schools would provide students with a foundational understanding of the technology that is already transforming industries, economies, and daily life. It would empower them to be active participants in shaping the future of technology.

CANTEEN & TUCK SHOP

The School has vast open space within its boundaries that houses a Canteen cum Tuck Shop with photocopying facility. Quality edibles, text books, stationery and other items are available at reasonable prices.

MOSQUE

The school has a **fully functional, air-conditioned Jamia Masjid** that also serves the nearby community. Arrangements are made for Zohar prayers, and students are encouraged to offer **congregational prayers** regularly. Space is available within the compound for outdoor games and activities. Table Tennis, Badminton, Cricket and Soft Ball facilities are available.

PLAY AREA

Space is available within the compound for outdoor games and activities. Table Tennis, Badminton, Cricket and Soft Ball facilities are available.

MINI AUDITORIUM

A Mini Auditorium with a seating capacity of 250 persons is available for various functions, lectures and other collective activities.

SICK ROOM

A well- equipped sick room with a very experienced and qualified nurse looks after the medical emergencies. The sick room caters for all emergencies and first aid requirements.

TRANSPORT

A sizeable fleet of buses and vans is available for commuting the students from different parts of the city. The service has been out sourced to experienced transporters. An office is maintained on the premises for liaison purposes. The institution is located on Main University Road where public transport ply in large number.

ADMINISTRATIVE STAFF

The team of efficient and committed administrative, accounts and other support staff work for the maintenance, upkeep of the records, documents and the premises so as to facilitate the teachers and the students in optimizing their time and also to provide them conducive environment.

A proud moment honoring excellence in research, creativity, and technology.

An inspiring art exhibition highlighting students' creativity.

Empowering students to explore, experiment, and excel.

An exhibition reflecting excellence in science and technology.

Proudly showcasing the technical and scientific talents of our students.

The school has a fully functional, air-conditioned Jamia Masjid that also serves the nearby community.

The school maintains a spacious, air-conditioned library with over 12,800 books, covering general and subject-specific disciplines and organized according to the Dewey Decimal System.

A well-equipped, air-conditioned sick room, managed by a highly experienced and qualified nurse, ensures prompt care for medical emergencies. The facility caters to all emergency situations and first.

AIMS AND OBJECTIVES OF CIPS

Following aspects of education of a child are given special attention:

- a. Development of personal qualities like honesty, integrity, self-discipline, diligence etc. through appreciation, affection, reward and indoctrination.
- b. Development of individual qualities like co-operation, tolerance, sociability etc. by proper motivation and guidance both in and out of the classroom.
- c. Inculcating leadership qualities like initiative, power of decision, self-confidence, by providing opportunities to hold appointments as class monitors, prefects and other offices of responsibility.
- d. Detection and elimination of the negative traits of personality like selfishness, violence, cheating, resort to short cuts, indiscipline and the like through methodical observation followed by counseling and correction.
- e. Development of curiosity, creative thinking and sense of inquiry.
- f. Development of sense of pride, quest for excellence and achievement through healthy competition between individuals as well as groups in academics, sports and other co-curricular activities.
- g. Development of leadership qualities like power of expression and general awareness through co-curricular activities, excursions and study tours.
- h. To attain these objectives parents, have an important role to play and every endeavor is made to keep them informed about the progress of their wards. They are also expected to liaise with the school frequently. Parents/ teachers meetings are arranged at regular intervals.

If you can do it, you can have it. Tablet and IT for boys.

INFORMATION FOR PARENTS & VISITORS

Following points are for the general information of the parents seeking admission of their wards:

- a. All admissions are subject to qualifying written test / interview.

FEES

The details of fee charged may be obtained from the Accounts Section.

The rules governing the fees are as under:

ONLINE FEE PAYMENT SYSTEM

- a. Fee will be paid online in designated **Banks/TCS/Easy Paisa** Outlets.
- b. Kuick pay platform has now been incorporated in shape of digital payment.
- c. There is no need for parents to get the printed fee vouchers. Fee can now be paid from the comfort of their homes.
- d. All dues must be cleared before 15th of the current month. Late fee at the rate of Rs. 100/- will be charged from 16 to 25th the current month. Fee challan will stand cancelled on 25th of the current month. No challan will be issued after 25th of the month. However, fine of Rs.300/- will be levied in the fee challan of the next month.
- e. If the dues are not cleared for consecutive two months the student's name is struck off the school roll.
- f. Full fee is charged from the first month of the session i.e. Montessori to Matric and O'Level from 1st April to March and from 1st August for class XI & XII.
- g. Full fee is charged for the month in which the withdrawal/migration of a student is affected for any reason whatsoever. However, application for withdrawal or migration is required to be given at least one month in advance.
- h. **Dues once paid are not refunded except security deposit. Security deposit can be claimed within one year after leaving the school by the student. It stands forfeited in favor of the school after one year and no claim will be entertained, thereafter.**
- i. The fees may be revised according to financial exigencies at the start of the session.
- j. School leaving certificate is issued only after all dues have been cleared, on payment of Rs. 200/- through Bank Challan.
- k. Fee is charged for all 12 months of each academic year from August to July for Montessori to Matric and O'Level and from August to July for class XI & XII, irrespective of the date of admission.

TEACHING OF THE HOLY QURAN

The teaching of the Holy Quran is compulsory from class I to VIII. The students of class IX and X are taught some selected **SURAHs** with their meanings and explanation.

TEACHING OF THE FEHM-UL- QURAN

Introducing *Fehm-ul- Quran* (Understanding of the Quran) as a subject in CIPS is an excellent initiative that could help students gain a deeper connection with their faith, cultivate a sense of spiritual awareness, and provide them with tools for interpreting sacred texts meaningfully. Integrating such a subject into school curricula would not only promote religious literacy but also enhance moral and ethical development among students.

STUDENT AWARDS

Students are awarded certificates and/or prizes for the following achievements:

- Participation Certificate is given to all who participate in any co-curricular activity/sports.
- Merit Certificates are awarded to those who acquire meritorious positions in studies and co-curricular activities.
- Good conduct Certificates are awarded at the end of the year to students whose discipline had been exceptionally good.
- Gold Medals are awarded to the top twenty-five students who secure 85% or more marks in class X and Silver Medals to top twenty-five students in class-IX. Two top students from class XII and XI each will be given Gold and Silver Medals respectively provided they pass all subjects and secure minimum 80% marks in the aggregate. Similarly, two top students each from O'3 and O'2 will be awarded Gold and Silver Medals provided they secure minimum 5 As in O'3 and 2 As for O'2 with minimum score of 88%. There should be no C grade. In case of tie all incumbents will be given the medals.
- The **Hafiz Gulzar Ahmed Wadhawan Kalwala Award** is established to honor students who demonstrate **outstanding academic excellence to a topper boy & girl from class Matric will receive Rs. 100,000 (One Lac Rupees) an 50,000 (Fifty Thousand) each will be given to the topper student of XII College and topper student of O3 O levels** as recognition of their dedication, hard work, and exceptional performance.

PRAYERS

The school has a **fully functional, air-conditioned Jamia Masjid** that also serves the nearby community **ARRANGEMENTS ARE THERE TO offer** Zohar Prayers by Jamat in the institution's own mosque. The students are encouraged to offer Zohar prayers in congregation.

STUDENTS' DIARIES

The students have to note down all the topics of class work done and homework given in their diaries. The diary is also a means of communication between the teachers and parents on the affairs of the students. Parents are requested to consult the diary and sign regularly any note written by the teachers. The diary will be checked by the class/subject teachers regularly.

PROMOTION CRITERION

In order to qualify for promotion to reach class, a student must obtain:

- Minimum 40% marks in each subject. (For O' Level pass percentage is 50%).
- Any student failing twice in the same class will not be retained in the School.

REPORTS TO PARENTS

To ensure consistent learning and evaluate student progress throughout the year, the academic year is divided into specific terms and quarterly assessments.

The results of 1st Quarterly, First Term, 2nd Quarterly, Second Term and Final Examinations are recorded in the student's Academic Reports which has been creating with E-report book template that can be printed and shared with parents is a great idea to maintain consistency and professionalism in communication.

PARENT-TEACHERS MEETING

Parent-Teachers Meetings, to discuss the academic and other problems of the students, are held on quarterly basis preferably after the 1st Quarterly test and First-Term Examinations. Dates for the same are notified through circulars and is also mentioned in the year book issued to every student at the time of admission. Parents may also visit, with prior appointment, during the visiting hours.

EDUCATIONAL TRIPS

Educational trips and excursions to places of educational interest are arranged by the school. The students proceeding on such trips are required to wear neat and clean uniforms.

Learning today, leading tomorrow. A wonderful experience to TDF MagnifiScience

COLLEGE

(XI–XII) Pre-Medical, Pre-Engineering & Computer Science

The success of the educational ventures of **Chiniot Islamia Public School** paved the way for the establishment of the **College Section in 2004**. Since then, the institution has been committed to providing **quality education and comprehensive training**, enabling students to secure admission to leading universities.

Over the years, **Chiniot Islamia College** has earned a strong reputation among private colleges by producing **remarkable academic results every year**. The journey of progress and success continues with new academic initiatives. In **2020**, the college expanded its offerings by opening **Pre-Medical admissions for boys**, which brought a positive and encouraging response.

Recognizing the growing importance of technology in modern education and careers, the college has also introduced **Computer Science as a major subject**. This program helps students understand the fundamentals of **computer systems, including hardware, software, and networking**, preparing them for the technology-driven world.

Salient Features of Chiniot Islamia College

- **Outstanding Board Results** – More than **98%** success rate, compared to the Karachi average of **50–55%**.
- **Student-Friendly Environment** with **state-of-the-art infrastructure**, strict discipline, and safety.
- **Separate classes for boys and girls**.
- **Library** with a collection of **over 12,800 books**.
- **Well-equipped Science Laboratories** for practical learning.
- **24-hour security with CCTV surveillance**.
- **Indoor and outdoor sports facilities** for healthy physical activities.
- **Emergency medical facility** available on campus.
- **Scholarships for A-1 grade holders** and **special fee concessions on merit and need basis**.
- **Effective teaching methodologies** supported by **audio-visual aids**.
- **Regular examinations and class tests** for continuous student assessment.
- **Guest lectures, seminars, and career counseling sessions** to develop students' core competencies.
- **Extra classes for slow learners**, especially before board examinations.
- **Gold and Silver Medal Awards** for outstanding performers in academics and co-curricular activities.
- **Cash prizes for Gold and Silver Medalists**.
- "Topper student from college XII section will receive a cash prize of Rs. 50,000. This award has been introduced as **Hafiz Gulzar Ahmed Wadhawan Kalwala Award**".
